

Get tested: One in three people with Coronavirus have no symptoms

Rapid COVID-19 tests are available for City retail workers who work in shops, markets, etc. (that are permitted to open) who do not have Coronavirus symptoms. These tests help detect cases of the virus faster and can prevent outbreaks in your workplace. It is recommended that you test every three to five working days.

You must have an appointment, visit bit.ly/2YivYfm or scan the QR code to book now. Tests are taken at 80 Leadenhall Street.

If you receive a negative test please remember to keep following the rules: wash your hands often, wear a face covering and practise social distancing.

If you test positive you must self-isolate. Find out more information here: bit.ly/3po3YTN
